EDUCATION

University Of Mumbai

Bsc I.T - CGPA - 8.7

08 2021 – 04 2024

Mumbai, India

Anand Vishwa Gurukul

Higher Secondary Certificate - **Percentage - 75%**

07 2019 – 03 2021

Mumbai India

SKILLS

- Java
- Spring MVC
- Postgresql
- Jquery
- Spring Boot
- Hibernate
- Js

PROJECTS

Employee Managemnet [🔗](#) | Java

06 2024

- Developed a standalone Employee Management application using Java and JFrame.
- Implemented CRUD (Create, Read, Update, Delete) functionalities to manage employee records.
- Designed a user-friendly interface with JFrame for efficient navigation and operation.
- Utilized object-oriented programming principles to ensure modularity and maintainability.
- Integrated data validation and error handling to enhance the robustness of the application.

Quiz Application (Spring MVC, Spring Boot, Java, Spring JPA, PostgreSQL) [🔗](#) | [Technology Used](#)

- Developed a comprehensive Quiz Application using Spring MVC and Spring Boot frameworks.
- Implemented CRUD operations for quiz questions, enabling efficient question management.
- Designed and built the quiz generation feature, allowing users to create and participate in quizzes.
- Utilized Spring JPA for seamless database interactions and ensured data integrity.
- Leveraged PostgreSQL for robust and scalable data storage solutions.

Banking Application (Spring MVC, Spring Boot, Java, Spring JPA, MySQL) [🔗](#) | [Technology Used](#)

- Implemented functionality for account deposits and withdrawals, ensuring accurate transaction processing and account balance updates.
- Designed and built RESTful APIs to handle banking transactions and account queries, enhancing application scalability and usability.
- Ensured robust application performance and reliability by integrating comprehensive error handling and validation mechanisms.
- Utilized Hibernate and JPA for efficient database interactions, optimizing data retrieval and persistence.

KYE SKILLS

* Leadership

Demonstrated leadership in college and school activities by organizing events, coordinating team projects, and fostering collaboration among peers to achieve common goals.

* Communication

Effectively articulated project goals and progress to team members and stakeholders, facilitated clear and concise presentations on technical subjects, and encouraged open dialogue within the team to foster idea sharing and constructive feedback.

HOBBIES

* Playing Games

* Traveling

AWARDS

- * Multiprogramming Festin-O-Bitis 2023
- * Sudoku Festin-O-Bitis 2023
- * Mathematical Game Fair
